Afsluttede og igangværende PhD-projekter med relation til Grønland
(Ikke komplet)

Slutår	Fang	Efternavn	Universitet/Institution	Hovedområde	PhD titel
1942	Yvon	Bériault	Université d'Ottawa	Samfundsvidenskab	Le Canada et le Groenland. À qui appartient l'archipel arctique?
1944	David K.	Hutt	Imperial College London	Naturvidenskab	The geochemistry of part of the Fiskenaesset Anorthosite complex, West Greenland
1950	Terrence	Armstrong	CU-SPRI	Samfundsvidenskab	The Development of the Northern Sea Route
1953	John	Glen	CU-SPRI	Naturvidenskab	Mechanical Properties of Ice and their relationship to Glacier Flow
1958	Owen N.	O´Leary	University of New Mexico	Teknisk videnskab	Construction of a Heavy Duty Military Airfield on Permafrost
1965	M. E. R.	Walford	CU-SPRI	Teknisk videnskab	Radio echo sounding of polar ice
1966	David Ronald Charles	Kempe	University of Oxford	Naturvidenskab	The mineralogy of the Kangerdlugssuaq alkaline intrusion, East Greenland
1968	Paul	Barnes	CU-SPRI	Naturvidenskab	Plastic Flow, Pressure Melting and other Deformations in the Melting of Ice
1970	John C. F.	Walker	CU-SPRI	Naturvidenskab	The mechanical properties of ice at high homologous temperatures
1970	J. G.	Paren	CU-SPRI	Teknisk videnskab	Dielectric Properties of Ice
1971	Anthony Keith	Yeats	CU-SPRI	Naturvidenskab	The geology of the western margin of the Devonian basin of East Greenland
1971	John	Nicholson	CU-SPRI	Naturvidenskab	Stratigraphic and sedimentological studies of the Upper Devonian Old Sandstone of Gauss Halvo and Ymers O, Central East Greenland
1971	Beverley Michael Ewen	Smith	CU-SPRI	Teknisk videnskab	Radio Echo Study of Glaciers
1971	William G.	Mattox	McGill University	Naturvidenskab	Fishing in West Greenland 1910-1966: The Development of a New Native Industry
1972	Robert Harold	Thomas	CU-SPRI	Naturvidenskab	The Dynamics of Ice Shelves
1972	Paul F.	Wilkinson	CU-SPRI	Samfundsvidenskab	The Relevance of Muskox Exploitation to the Study of Prehistoric Animal Economies
1972	Christopher Hanson	Harrison	CU-SPRI	Teknisk videnskab	Radio propagation effects in glaciers
1972	R.C.O.	Gill	Durham University	Naturvidenskab	The geochemistry of the grØnnedal- Ika alkaline complex, South Greenland
1973	Peter	Wadhams	CU-SPRI	Naturvidenskab	The Effect of a Sea-Ice Cover on Ocean Waves
1973	H.R.	Williams	Exeter University	Naturvidenskab	The geology of an area to the northeast of Bjørnesund, near Fiskenaesset, West Greenland. 290 pp.
1973	Howard Raymond	Williams	University of Exeter	Naturvidenskab	The geology of an area to the northeast of Bjornesund, near Fiskenaesset, West Greenland
1974	Ruth Jean	Blodgett	University of British Columbia	Humaniora	Multiple human images in Eskimo sculpture
1975	Gordon Kenneth Andrew	Oswald	CU-SPRI	Teknisk videnskab	Radio Echo Studies of Polar Glacier beds
1976	Alan B.	Blaxland	University of Edinburgh	Naturvidenskab	Geochronology and isotope geochemistry of the Gardar alkaline complexes, South Greenland
1977	Peter D.	Alexander-Marrack	CU-SPRI	Naturvidenskab	The eastern margin of the Devonian basin of east Greenland
1977	Neal Duncan	Hargreaves	CU-SPRI	Teknisk videnskab	Radio Echo Studies of the Dielectric Properties of Ice Sheets

Afsluttede og igangværende PhD-projekter med relation til Grønland
(Ikke komplet)

1977	Hans P.	Kylstra	University of Groningen	Humaniora	Continuity and discontinuity in the Inuit culture of Greenland
1978	Vernon Arthur	Squire	CU-SPRI	Naturvidenskab	Dynamics of Ocean waves in a Continuous Sea Ice Cover
1979	T.H.	McGovern	University of Columbia, N.Y.	Humaniora	The paleoeconomy of Norse Greenland: adaption and extinction in a tightly bounded ecosystem
1981	David H. M.	Millar	CU-SPRI	Naturvidenskab	Radio-echo layering in polar ice sheets
1982	Patricia Jean	Langhorne	CU-SPRI	Naturvidenskab	Crystal alignment in sea ice
1982	Paul Anthony	Wagner	University of Alberta	Naturvidenskab	Geochronology of the Ameralik dykes at Isua, West Greenland
1984	Ian S.	Bratchie	CU-SPRI	Naturvidenskab	Numerical modelling of ice dynamics and thermodynamics in the Greenland Sea
1984	Wilfrid Austin	Nixon	CU-SPRI	Naturvidenskab	Some Aspects of the Engineering Properties of Ice
1984	S.M.	Becker	University of Aberdeen	Naturvidenskab	Petrology of the giant dykes of Isortoq and feldspar variation in the Klokken complex, south Greenland
1985	Sheila Ruth	Romalis	University of British Columbia	Humaniora	The Tupilaq : image and label : understanding East Greenland carvings
1985	S.	Robertson	University of Exeter	Naturvidenskab	Late Archaean crustal evolution in the Ivisartoq region, southern west Greenland
1986	J.F.W.	Park	University of Exeter	Naturvidenskab	Fault systems in the inner Godthabsfjord region of the Archaean Block, southern west Greenland
1987	Mark Roland	Drinkwater	CU-SPRI	Naturvidenskab	Radar Altimetric Studies of Polar Ice
1987	Hacquebord, Louwrens; Vaughan, Richard.		University of Groningen	Humaniora	Between Greenland and America:cross-cultural contacts and the environment in the Baffin Bay area
1988	Colin	Bradshaw	Durham University	Naturvidenskab	A petrographic, structural and geochemical study of the alkaline igneous rocks of the Motzfeldt Centre, South Greenland.
1989	Siobhan	O'Farrell	CU-SPRI	Naturvidenskab	Ocean Fronts at Sea Ice Boundaries
1989	Minik Thorleif	Rosing	KU	Naturvidenskab	?
1990	Philip J.	Rottier	CU-SPRI	Naturvidenskab	Wave/ice interactions in the marginal ice zone and the generation of ocean noise
1990	Mark Anthony	Nuttall	CU-SPRI	Samfundsvidenskab	Names, kin and community in Northwest Greenland
1990	Jesper	Madsen	AAU	Naturvidenskab	Life history and migration strategies in geese
1990	Adrian Anthony	Finch	University of Edinburgh	Naturvidenskab	Chemical and isotopic nature of fluids associated with alkaline magmatism, South Greenland
1990	Susan C.	Mingard	University of Edinburgh	Naturvidenskab	Crystallisation and layering of the Younger Giant Dyke Complex, SW Greenland
1991	J. M. Nico T.	Grey	CU-SPRI	Naturvidenskab	Sea ice dynamics
1991	Beau	Riffenburgh	CU-SPRI	Samfundsvidenskab	The Anglo-American press and the sensationalization of the Arctic 1855-1910
1991	Frants	Dalgaard-Knudsen	Florence, European University Institute	Humaniora	Mineral consessions and law in Greenland
1991	Søren	T. Thuesen	AAU	Humaniora	Fremmed blandt landsmænd : grønlandske kateketer i kolonitiden
1991	Jette	Arneborg	KU	Humaniora	Kulturmødet mellem nordboer og eskimoer - The cultural encounter between Norsemen and Eskimos
1991	Andrew J.	Russell	University of Aberdeen	Naturvidenskab	The geomorphological and sedimentological effects of jökulhlaups
1993	Ulla Patricia	Gilmour	CU-SPRI	Naturvidenskab	Mixing and circulation of meltwater outflow plums in polar fjords

Afsluttede og igangværende PhD-projekter med relation til Grønland
(Ikke komplet)

1994	Richard	Hodgkins	CU-SPRI	Naturvidenskab	The Seasonal evolution of meltwater discharge, quality and outing at a High Arctic glacier
1994	Torben	Røjle Christiansen	CU-SPRI	Naturvidenskab	Exchange of radiatively active trace gases in tundra environments, with particular attention to methane
1994	Allan A.	Nielsen	DTU	Naturvidenskab	Analysis of Regularly and Irregularly Sampled Spatial, Multivariate, and Multi-temporal Data.
1994	Kirsten	Thisted	Ilisimatusarfk	Humaniora	Som perler på en snor. Fortællestrukturer i grønlandsk fortælletradition - med særligt henblik på forskellen mellem de originale og de udgivne versioner.
1994	Knud	Sinding	University of British Columbia	Samfundsvidenskab	Mineral development and mining policy in Greenland
1994	Ole	Lindquist	University of St Andrews	Humaniora	Whales, dolphins and porpoises in the economy and culture of peasant fishermen in Norway, Orkney, Shetland, Faroe Islands and Iceland, ca.900-1900 A.D., and Norse Greenland, ca.1000-1500 A.D
1994	Graham R.	Poole	University of Cambrigde	Samfundsvidenskab	The development of Greenland's shrimp fishing and processing industry since 1979 : a study in applied economics
1995	Grahame R.	Poole	CU-SPRI	Naturvidenskab	The Development of Greenland's shrimp fishing and pocessing industry since 1979: a study in applied economics
1995	I-I	Lin	CU-SPRI	Naturvidenskab	Spatial texture of visible and radar imagery of terrestrial ice masses
1995	Mark Orlen	Badger	CU-SPRI	Samfundsvidenskab	Visual ethnography and representation: two case studies in the Arctic
1995	Christian	Moliin Kapel	Royal Veterinary and Agricultural University	Sundhedsvidenskab	Helminths of the arctic fox (Alopex lagopus (L.)) in Greenland
1996	Gareth	Marshall	CU-SPRI	Naturvidenskab	The effectiveness of spaceborne synthetic aperture radar for Glacier monitoring
1996	Mark	Brandon	CU-SPRI	Naturvidenskab	Winter surface water mass modification in the Greenland Sea.
1996	Merete	Demant Jakobsen	University of Oxford	Humaniora	Shamanism : traditional and contemporary approaches to the mastery of spirits and healing
1997	Daniel Lee	Feltham	CU-SPRI	Naturvidenskab	Fluid dynamics and thermodynamics of sea ice
1997	Peter	Riisager	AAU	Naturvidenskab	Paleomagnetic investigations : magnetostratigraphy and paleointensity of West Greenland basalts, archaeomagnetic dating and experimental aspects of paleofield determination
1997	Julie Megan	Ross	University of Alberta	Humaniora	A paleoethnobotanical investigation of Gärden Under Sändet, a waterlogged Norse farm site, Western Settlement, Greenland (Kalaallit Nunaata)
1998	Andrew William	Bingham	CU-SPRI	Naturvidenskab	Monitoring Arctic glaciers and ice caps using satellite remote sensing
1998	Joseph Kah-Wah	Lam	CU-SPRI	Naturvidenskab	Numerical modelling of the dynamics response of glaciers to changing climates
1998	Martin Alexander	Tadross	CU-SPRI	Naturvidenskab	Microwave remote sensing of young sea ice in the Greenland Sea
1998	Matthew Richard	Huddleston	CU-SPRI	Naturvidenskab	Modelling the sea ice thickness distribution in the Greenland Sea
1998	Matthias Heinrich	Reisemann	CU-SPRI	Naturvidenskab	Ultrasonic transmission properties of sea ice
1998	William Dingle	Miners	CU-SPRI	Naturvidenskab	Electromagnetic reflections inside ice sheets
1998	Ole	Ankjær Jørgensen	GINR/KU	Naturvidenskab	?
1998	Frank	Sejersen	KU	Humaniora	Strategies for sustainibility and management of people : an analysis of hunting and environmental perceptions in Greenland with a special focus on Sisimiut

Afsluttede og igangværende PhD-projekter med relation til Grønland
(Ikke komplet)

1998	Paul Gordon	Seaman	University of London	Naturvidenskab	Ikaite formation in a fjord environment with special reference to Ikka Fjord
1999	Finlo	Cottier	CU-SPRI	Naturvidenskab	Brine distribution in young sea ice.
1999	Jeffrey	Evans	CU-SPRI	Naturvidenskab	Late Weichselian and Holoscene Glacimarine sedimentation and environments in Kejser Franz Joseph's Fjord and on the adjacent continental margin, East Greenland
1999	Christian	Glahder	GINR	Naturvidenskab	Sensitive areas and periods of the Greenland white-fronted goose in West Greenland : spring staging and moult as important bottleneck periods in the annual cycle of the goose subspecies
1999	Søren	Anker Pedersen	GINR/KU	Naturvidenskab	Mortality on northern shrimp (Pandalus borealis) and species interactions on the offshore West Greenland shrimp grounds
1999	Anne Birgitte	Gotfredsen	KU	Naturvidenskab	The avifauna of Greenland in a quaternary zoological perspective. An analyses of the zoogeography of selected bird species and prehistoric hunting in low arctic Greenland.
1999	Frank	Sejersen	KU	Humaniora	Strategies for sustainability and management of people : an analysis of hunting and environmental perceptions in Greenland with a special focus on Sisimiut
1999	Ditte	Bentzon Goldsmidt	KU	Humaniora	Politiske, økonomiske, kulturelle og især retlige relationer mellem oprindelige folk i Norden og de nordiske stater
2000	Tine	Pars	KU	Samfundsvidenskab	Forbruget af traditionelle grønlandske fødevarer i Vestgrønland [Ph.D. Dissertation]. Denmark: Copenhagen University, Det Sundhedsvidenskabelige Fakultet; 2000.
2000	Arnaq	Grove	KU	Humaniora	Nedskrivning af nyere grønlandsk mundtlig fortælletradition : en undersøgelse af det mundtlige fortællesprog og dets retoriske komponenter med udgangspunkt i Qivaaqiarsuk fortalt af Simon Nielsen, samt litterær analyse og tolkning af den
2000	Henning	Sloth Pedersen	AAU	Sundhedsvidenskab	Det grønlandske obduktionsprojekt : atherosclerose og intracerebral hæmorrhagi i relation til fedtsyresammensætningen i fedtvæv og validering af dødsårsagsmønstret : Ph.D. afhandling
2001	Tine	Curtis	KU	Sundhedsvidenskab	Kommunikation mellem læger og patient i Grønland - en kvalitativ undersøgelse af interaktionen mellem patienter og den tolkede konsultationssamtale.
2002	Irene A.	Mogensen	KU	Naturvidenskab	A Study of Rapid Climate Changes, Dansgaard-Oeschger events
2002	Jakob Christopher	Ries	RUC	Humaniora	Lauge Koch sagen : den danske geologstrid 1935-38
2003	Andreas Peter	Ahlstrøm	GEUS	Naturvidenskab	Ice sheet ablation assessed by observation, remote sensing and modelling
2003	Amir	Khan	KU		?
2003	Hongxiu	Zhou	University of Aberdeen	Naturvidenskab	Geochemical correlation of seep oils, onshore Nuussuaq Basin, central west Greenland
2004	Lars	Troldborg	GEUS/DTU	Naturvidenskab	The influence of conceptual geological models on the simulation of flow and transport in quaternary aquifer systems
2004	Mads	Hvid Ribergaard	GINR/DMI/KU	Naturvidenskab	On the coupling between hydrography and larval transport in Southwest Greenland waters
2004	K.E.	Jørgensen	KU	Sundhedsvidenskab	Glucose intolerance and its relation to cardiovascular risk factors among Greenland Inuit.
2004	Erik	Gant	AAU	Humaniora	Eskimotid analyser af filmiske fremstillinger af eskimoer med udgangspunkt i postkolonialistisk teori og med særlig vægtning af danske grønlandsfilm
2004	Amanda K.	Forster	University of Bradford	Samfundsvidenskab	Shetland and the trade of steatite goods in the North Atlantic region during the Viking and Early Medieval period: an investigation into trade and exchange networks in the Norse North Atlantic and the extent to which steatite goods manufactured in Shetland were included in such networks.
2004	C.C.M.	Buijs	Leiden University	Humaniora	Furs and fabrics : transformations, clothing and identity in East Greenland

Afsluttede og igangværende PhD-projekter med relation til Grønland
(Ikke komplet)

2004	L.	Hacquebord	University of Groningen	Humaniora	The Jan Mayen whaling industry - Its exploitation of the Greenland right whale and its impact on the marine ecosystem
2004	Sofie	Cold-Ravnkilde	University of British Columbia	Humaniora	Northern voices telling histories of Danish (post) colonialism
2005	Marie-Louise	Siggaard-Andersen	AWI & Univ. of Bremen	Naturvidenskab	Analysis of soluble ions from dust and sea salt over the last glacial cycle in polar deep ice cores
2005	Elana Tovah	Wilson	CU-SPRI	Samfundsvidenskab	Building an Arctic Community of Knowledge:the promotion and reception of Canadian resource management and economic development models in the Russian North
2005	Aqqalu	Rosing Asvid	GINR/KU	Naturvidenskab	Klimavariationer omkring Grønland og dets indflydelse på ringsæler og isbjørne
2005	Morten	Frederiksen	SDU	Naturvidenskab	Seagrass response to organic loading
2005	Erik W.	Born	University of Oslo	Naturvidenskab	An assessment of the effects of hunting and climate on walruses in Greenland
2005	Peter	Lang Langen	KU	Naturvidenskab	Polar Amplification og Surface Temperature Change in a Warming Climate
2005	K.J.	Rusk	University of York	Humaniora	Shall we abide here? : site selection criteria of the eastern settlement of Norse Greenland : a case study of Qorlortup Valley
2006	Huw W.G.	Lewis-Jones	CU-SPRI	Samfundsvidenskab	The Invisible Throne: the Royal Navy, Polar Exploration and Imagining Heroes in the Nineteenth Century
2006	Flemming	Ravn Merkel	GINR/KU	Naturvidenskab	Common Eiders in Greenland - interaction between harvest, body condition and habitat use in winter
2006	Carsten	Hvingel	GINR/Tromsø Universitet	Naturvidenskab	Construction of biological advice for the management of an northern shrimp fishery - the West Greenland example
2006	Lone Nukaaraq	Møller	Kgl. Veterinær- og Landbohøjskole	Sundhedsvidenskab	Beskrivelse af omfanget og betydningen af smitte med Trichinella nativa blandt dyr og mennesker i Grønland med henblik på anvisning af forebyggende foranstaltninger i områder, hvor trichinellose er særligt udbredt
2006	Bo	Møllesøe Vinther	KU	Naturvidenskab	Greenland and North Atlantic climatic conditions during the Holocene - as seen in high resolution stable isotope data from Greenland ice cores
2006	Mikkel	Sørensen	KU	Humaniora	Teknologi og tradition i Østarktis 2500 BC-1200 AD : en dynamisk teknologisk undersøgelse af litiske inventarer i de palæoeskimoiske traditioner
2006	Sebastian H.	Mernild	KU	Naturvidenskab	Freshwater discharge from the coastal area outside the Greenland Ice Sheet, East Greenland : with focus on Mittivakkat, Ammassalik Island, (Low Arctic) and Zackenberg (High Arctic)
2006	Mette	Rønsager	KU	Humaniora	Imellem læger og landsmænd : den vestgrønlandske jordemoderinstitution 1820-1920
2006	Louise	Grøndahl	KU	Naturvidenskab	Carbon dioxide exchange in the High Arctic : examples from terrestrial ecosystems
2006	Karla	Jessen Williamson	University of Aberdeen	Humaniora	Inuit post-colonial gender relations in Greenland
2006	Sune	Olander Rasmussen	KU	Naturvidenskab	Improvement, dating, and analysis of Greenland ice core stratigraphies
2006	Vouter Antonius	Gebbink	Carleton University	Naturvidenskab	Bioaccumulation and toxicokinetics of brominated and chlorinated contaminants in East Greenland polar bears (Ursus maritimus)
2007	Adrian J.	Fox	CU-SPRI	Naturvidenskab	Photogrammetric Techniques for Measuring Change in Glaciated Regions
2007	John Stewart	Ash	CU-SPRI	Naturvidenskab	The Management of Antropogenic Environmental Risk Associated with Oil Development in the Arctic Littoral
2007	Josephine	Nymand	GINR	Naturvidenskab	Physical condition of female reindeer in relation to the foraging condition in South Greenland

Afsluttede og igangværende PhD-projekter med relation til Grønland
(Ikke komplet)

2007	Naja	Blytmann Trondhjem	KU	Humaniora	Markering af tid i grønlandsk sprog med særlig fokus på fortid
2008	Jan	Andersen	AUC	Samfundsvidenskab	Forskning - en strategi for grønlandsk udvikling
2008	Ruth	Mugford	CU-SPRI	Naturvidenskab	Modelling iceberg and meltwater sedimentation from tidewater glaciers
2008	Claus	Stenberg Simonsen	GINR/University of Bergen	Naturvidenskab	Recruitment processes in West Greenland Waters - With special focus on Greenland halibut
2008	Jørgen	Ellegård Trondhjem	KU	Humaniora	Moderne grønlandsk billedkunst – En undersøgelse af den grønlandske kunstinstitution og dens refleksion af lokale og globale processer i værker og praksis"
2008	Valentina	Radić	UAF	Naturvidenskab	Basal shear strength inversions for ice sheets with an application to Jakobshavn Isbrae, Greenland
2009	Janne	Flora	CU-SPRI	Samfundsvidenskab	Relatedness, loneliness and longing in Qeqertaq, Greenland
2009	Anders	Stuhr Jørgensen	DTU-CAT	Teknisk videnskab	Arktiske vejes og landingsbaners bærevne
2009	Robert S.	Fausto	KU	Naturvidenskab	Improving Surface Boundary Conditions for Large-Scale Ice Sheet Models of Greenland
2009	Susanne L.	Buchardt	KU	Naturvidenskab	Basal melting and Eemian ice along the main ice ridge in northern Greenland
2009	Birgit	Vollmer-Larsen Niclaser	Nordic School for Public Health, Göteborg.	Sundhedsvidenskab	*Folkesundhed i børnehøjde: Indikatorer for børns sundhed og velbefindende i Grønland*
2009	Maja	Kirkegaard	SDU	Sundhedsvidenskab	Effects of long-term dietary exposure to organohalogen contaminants on vitamin and hormone status in the Greenland sledge dog (Canis familiaris)
2009	Michael	Skaaning Høegsberg	AAU	Samfundsvidenskab	Materiel kultur og kulturel identitet i det norrøne Grønland. Unpublished Ph.D. thesis,
2009	Jamie Alan	McCreath	University of St Andrews	Naturvidenskab	Petrology and petrogenesis of the Motzfeldt Ta-mineralisation, Gardar Province, South Greenland
2010	Martin Emil	Blicher	GCRC/KU	Naturvidenskab	Populationsdynamik af marin benthos i Grønland – økologisk rolle og potentielle effekter af global opvarmning.
2010	Rasmus	Berg Hedeholm	GCRC/AAU	Naturvidenskab	The importance of small pelagic fishes to the energy flow in marine ecosystems: the Greenlandic capelin
2010	Carsten	Egevang	GINR/KU	Naturvidenskab	Havternens yngle- og populationsbiologi i Vestgrønland
2010	Jens	Heinrich	Ilisimatusarfik	Samfundsvidenskab	Eske Brun og det moderne Grønlands tilblivelse 1932 - 64
2010	Katrine	Kjærgaard	Ilisimatusarfik/KU	Samfundsvidenskab	Grønland som del af den bibelske fortælling: Studier i billeder og forestillinger 1721-2008
2010	Søren	Rud	KU	Humaniora	Subjektiveringsprocesser i metropol og koloni : København og Grønland i 1800-tallet
2010	Jakub	Christensen Medonos	KU	Humaniora	Ungdom og urbanitet i Grønland : kompetencer, kreativitet og visioner - en analyse af unges fortolkning af byen
2010	Jesper	Sjolte	KU	Naturvidenskab	Modelling of present and Eemian stable water isotopes in precipitation
2010	Jason Michael	Amundson	UAF	Naturvidenskab	Iceberg Calving Dynamics of Jakobshavn Isbræ, Greenland
2010	Gemma Rachel	Stripp	University of Cambrigde	Naturvidenskab	The late-stage evolution of the Skaergaard intrusion, East Greenland
2010	Hanna Í	Horni	Swansea University	Samfundsvidenskab	British and U.S. post-neutrality policy in the North Atlantic area 09.04.1940-1945 : the role of Danish representatives
2011	Anne	Merrild Hansen	AUC	Naturvidenskab	SEA effectiveness and power in decision-making: A case study of aluminium production in Greenland
2011	Janne	Dragsted	DTU	Teknisk videnskab	Solar heating in Greenland: Ressource assessment and potential
2011	Petra	Vladyková	DTU	Teknisk videnskab	An energy efficient building for the Arctic climate: Is a passive house sensible for Greenland?

Afsluttede og igangværende PhD-projekter med relation til Grønland
(Ikke komplet)

2011	Kristine	Engell Arendt	GCRC/KU	Naturvidenskab	Plankton community structure in a West Greenland Fjord
2011	Malene	Juel Simon	GCRC/AAU	Naturvidenskab	The sounds of whales and their food: Baleen whales, their foraging behavior,k ecology and habitat use in an arctic habitat.
2011	Gitte	Adler Reimer	Ilisimatusarfik	Samfundsvidenskab	Slægtskab og køn i grønlandske bysamfund - følelser af forbundethed
2011	Rasmus	Eisted	Ilisimatusarfik/DTU-CAT	Naturvidenskab	Bæredygtig udnyttelse af Grønlands affald
2011	Lill	Rasted Bjørst	KU	Humaniora	Arktiske diskurser og klimaforandringer i Grønland. Fire (post) humanistiske klimastudier
2011	Hans Christian	Steen-Larsen	KU	Naturvidenskab	The stable water isotope climatic method: Enhancing our understanding of the present-day isotope processes for the Greenland Ice Sheet
2011	Mads D.	Ellehøj	KU	Naturvidenskab	Ice-vapor equilibrium fractionation factor: Experimental investigations and possible impacts on the understanding of the hydrological cycles on Earth and Mars
2011	Mai	Winstrup	KU	Naturvidenskab	An automated method for annual layer counting in ice cores - and an application to visual stratigraphy data from the NGRIP ice core
2011	Peter Andreas	Toft	KU	Humaniora	Livets ting - tingenes liv : inuit og europæiske genstande i Grønland 1600-1900
2011	Bolette	Søborg	Statens Seruminstitut	Sundhedsvidenskab	Tuberkulose på Grønland: smittebyrde og risikofaktorer
2011	Michael	Lynge Pedersen	AAU	Sundhedsvidenskab	Diabetes mellitus in Greenland - Prevalence, organisation and quality in the management of type 2 diabetes mellitus - Effect of a Diabetes Health Care Project.
2011	David	Balslev-Clausen	KU	Naturvidenskab	Application of cavity ring down spectroscopy to isotopic bio- geo- & climate-science & The development of a Mid-IR CRDS analyzer for continuous measurements of N2O isotopomers.
2011	Morten	Langer	KU	Naturvidenskab	Surface melt, dynamics and seismicity at Helheim Glacier, East Greenland
2011	Vasileios	Gkinis	KU	Naturvidenskab	High resolution water isotope data from ice cores
2011	Helle	Møller	University of Alberta	Humaniora	You need to be double cultured to function here": toward an anthropology of Inuit nursing in Greenland and Nunavut
2011	Sophie	Elixhauser	University of Aberdeen	Humaniora	Nammeq : personal autonomy and everyday communication in the Ammassalik Region, East Greenland
2011	Elizabeth A.	Pierce	University of Glasgow	Humaniora	Identity at the far edge of the earth : an examination of cultural identity manifested in the material culture of the North Atlantic, c. 1150-1450
2011	Chia	Wei	University of Minnesota	Samfundsvidenskab	Violence against educators.
2012	Adrian Bruce	McCallum	CU-SPRI	Naturvidenskab	Cone penetration testing in polar snow.
2012	Alison	Banwell	CU-SPRI	Naturvidenskab	Modelling the Hydrology of the Greenland Ice Sheet
2012	William	Eucker	CU-SPRI	Samfundsvidenskab	A geospatial analysis of Arctic marine traffic.
2012	Eva	Garde	GINR/KU	Naturvidenskab	Past and present population dynamics of narwhals.
2012	Annemette	Nyborg Lauritsen	Ilisimatusarfik	Samfundsvidenskab	Anstalten - frihedsberøvelse i Grønland
2012	Anne	Solgaard	KU	Naturvidenskab	Large-scale Modeling of the Greenland Ice Sheet on Long Timescales
2012	Astrid	Schmidt	KU	Naturvidenskab	Ice Core Genetics - uncovering biodiversity from ancient ecosystems in Greenland and Antarctica
2012	Christo	Buizert	KU	Naturvidenskab	The influence of firn air transport processes and radiocarbon production on gas records from polar firn and ice
2012	Ivana	Cvijanovic	KU	Naturvidenskab	Abrupt climate change and high to low latitude teleconnections as simulated in climate models
2012	Ramon Gordon	Jensen	KU	Sundhedsvidenskab	Mellemørebetændelse i Grønland
